### Polyclonal Goat anti-Human ARMS2 Antibody (aa49-58, IHC) LS-C112950 LS-C112950-100

|                          |                                                                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Polyclonal Goat anti-Human ARMS2 Antibody (aa49-58, IHC) LS-C112950                                                                     |
| Artikelnummer            | LS-C112950-100                                                                                                                          |
| Hersteller Artikelnummer | LS-C112950-100                                                                                                                          |
| Alternativnummer         | LS-C112950-100                                                                                                                          |
| Hersteller               | LifeSpan Biosciences                                                                                                                    |
| Wirt                     | Goat                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                              |
| Applikation              | ELISA, IHC-P                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                   |
| Immunogen                | Peptide with sequence C-EGASDKQRSK, from the internal region of the protein sequence according to NP_001093137.1.                       |
| Konjugation              | Unconjugated                                                                                                                            |
| Produktbeschreibung      | ARMS2 antibody LS-C112950 is an unconjugated goat polyclonal antibody to human ARMS2 (aa49-58). Validated for IHC and Peptide-ELISA.... |
| Klonalität               | Polyclonal                                                                                                                              |
| Konzentration            | 0.5 mg/ml                                                                                                                               |
| NCBI                     | <a href="#">387715</a>                                                                                                                  |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | TBS, pH 7.3, 0.02% Sodium Azide, 0.5% BSA                                                                                                                                                                                                                      |
| Reinheit               | Purified from goat serum by ammonium sulphate precipitation followed by antigen affinity chromatography using the immunizing peptide.                                                                                                                          |
| Formulierung           | TBS, pH 7.3, 0.02% Sodium Azide, 0.5% BSA                                                                                                                                                                                                                      |
| Application Verdünnung | IHC-P (2 - 4 µg/ml), Peptide-ELISA (1:4000)                                                                                                                                                                                                                    |
| Anwendungsbeschreibung | Peptide ELISA: antibody detection limit dilution 1:4000. Western blot: Not yet tested - our routinely used western blotting protocol does not allow detection of proteins as small as the calculated size of 11.4kDa according to NP_001093137.1. Therefore we |
