| Artikelname              | Monoclonal Mouse anti-Human LIPG / Endothelial Lipase Antibody (clone OTI9F2, IHC, IF, WB) LS-C115067                                                              |
| Artikelnummer            | LS-C115067-100                                                                                                                                                     |
| Hersteller Artikelnummer | LS-C115067-100                                                                                                                                                     |
| Alternativnummer         | LS-C115067-100                                                                                                                                                     |
| Hersteller               | LifeSpan Biosciences                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                         |
| Applikation              | FC, IF, IHC, IHC-P, IP, WB                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                              |
| Immunogen                | Full length human recombinant protein of human LIPG (NP_006024) produced in HEK293T cell.                                                                          |
| Konjugation              | Unconjugated                                                                                                                                                       |
| Produktbeschreibung      | Endothelial Lipase antibody LS-C115067 is an unconjugated mouse monoclonal antibody to human Endothelial Lipase (LIPG). Validated for Flow, IF, IHC, IP and WB.... |
| Klonalität               | Monoclonal                                                                                                                                                         |
| Konzentration            | 0.85 mg/ml                                                                                                                                                         |
| Klon-Bezeichnung         | [OTI9F2]                                                                                                                                                           |

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Isotyp                 | IgG2b                                                       |
| NCBI                   | <a href="#">9388</a>                                        |
| Puffer                 | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA       |
| Reinheit               | Protein A/G purified                                        |
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA       |
| Application Verdünnung | Flo (1:100), IF (1:100), IHC, IHC-P (1:50), IP, WB (1:1000) |
| Anwendungsbeschreibung | Flo (1:100), IF (1:100), IHC, IHC-P (1:50), IP, WB (1:1000) |
