Polyclonal Goat anti-Human ACE / CD143 Antibody (Biotin, IHC, WB) LS-C122667 LS-C122667-50

| | |
|--------------------------|--|
| Artikelname | Polyclonal Goat anti-Human ACE / CD143 Antibody (Biotin, IHC, WB) LS-C122667 |
| Artikelnummer | LS-C122667-50 |
| Hersteller Artikelnummer | LS-C122667-50 |
| Alternativnummer | LS-C122667-50 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Goat |
| Kategorie | Antikörper |
| Applikation | IHC, WB |
| Spezies Reaktivität | Human |
| Immunogen | Recombinant human Angiotensin 1 Converting Enzyme. |
| Konjugation | Biotin |
| Produktbeschreibung | CD143 antibody LS-C122667 is a biotin-conjugated goat polyclonal antibody to human CD143 (ACE). Validated for IHC and WB.... |
| Klonalität | Polyclonal |
| NCBI | 1636 |
| Puffer | 0.2 um sterile-filtered solution in PBS, 50ug of BSA per 1ug of antibody. |

| | |
|------------------------|--|
| Reinheit | Immunoaffinity purified |
| Formulierung | 0.2 um sterile-filtered solution in PBS, 50ug of BSA per 1ug of antibody. |
| Application Verdünnung | IHC (2 - 15 µg/ml), WB (0.1 - 0.2 µg/ml) |
| Anwendungsbeschreibung | Suitable for use in Western Blot, Immunohistochemistry. Western Blot: 0.1-0.2 ug/ml. Immunohistochemistry: 2-15 ug/ml. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
