Polyclonal Goat anti-Human ACTRIIB / ACVR2B Antibody (Biotin, Extracellular Domain, WB) LS-C124889 LS-C124889-50

Artikelname	Polyclonal Goat anti-Human ACTRIIB / ACVR2B Antibody (Biotin, Extracellular Domain, WB) LS-C124889
Artikelnummer	LS-C124889-50
Hersteller Artikelnummer	LS-C124889-50
Alternativnummer	LS-C124889-50
Hersteller	LifeSpan Biosciences
Wirt	Goat
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Human
Immunogen	NS0-derived, recombinant human Activin RIIB extracellular domain.
Konjugation	Biotin
Produktbeschreibung	ACVR2B antibody LS-C124889 is a biotin-conjugated goat polyclonal antibody to human ACVR2B (ACTRIIB) (Extracellular Domain). Validated for WB....
Klonalität	Polyclonal
NCBI	93
Puffer	Lyophilized from Sterile Solution PBS, BSA

Reinheit	Immunoaffinity purified
Formulierung	Lyophilized from Sterile Solution PBS, BSA
Application Verdünnung	WB (0.1 - 0.2 µg/ml)
Anwendungsbeschreibung	Suitable for use in Western blot: 0.1-0.2 ug/ml. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
