Polyclonal Goat anti-Human AGRP Antibody (Biotin, WB) LS-C125015 LS-C125015-50

Artikelname	Polyclonal Goat anti-Human AGRP Antibody (Biotin, WB) LS-C125015
Artikelnummer	LS-C125015-50
Hersteller Artikelnummer	LS-C125015-50
Alternativnummer	LS-C125015-50
Hersteller	LifeSpan Biosciences
Wirt	Goat
Kategorie	Antikörper
Applikation	ELISA, WB
Spezies Reaktivität	Human
Immunogen	Sf 21-derived, recombinant human Agouti-Related Protein.
Konjugation	Biotin
Produktbeschreibung	AGRP antibody LS-C125015 is a biotin-conjugated goat polyclonal antibody to human AGRP. Validated for ELISA and WB....
Klonalität	Polyclonal
NCBI	181
Puffer	Lyophilized from 0.2 um sterile-filtered solution in PBS, 50 ug BSA
Reinheit	Immunoaffinity purified
Formulierung	Lyophilized from 0.2 um sterile-filtered solution in PBS, 50 ug BSA

Application Verdünnung	ELISA, WB (0.1 - 0.2 µg/ml)
Anwendungsbeschreibung	Suitable for use in Western Blot. Using plates coated with 100 ul/well of the capture antibody, in combination with 100 ul/well of the detection antibody at 50 ng/ml, an ELISA for sample volumes of 100 ul can be obtained. To arrive at the optimal dose ra
