## Product Datasheet

### **Polyclonal Goat anti-Human ALCAM / CD166 Antibody (Biotin, Extracellular Domain, WB) LS-C125324 LS-C125324-50**

Artikelname	Polyclonal Goat anti-Human ALCAM / CD166 Antibody (Biotin, Extracellular Domain, WB) LS-C125324
Artikelnummer	LS-C125324-50
Hersteller Artikelnummer	LS-C125324-50
Alternativnummer	LS-C125324-50
Hersteller	LifeSpan Biosciences
Wirt	Goat
Kategorie	Antikörper
Applikation	ELISA, WB
Spezies Reaktivität	Human
Immunogen	NS0-derived recombinant human ALCAM extracellular domain.
Konjugation	Biotin
Produktbeschreibung	CD166 antibody LS-C125324 is a biotin-conjugated goat polyclonal antibody to human CD166 (ALCAM) (Extracellular Domain). Validated for ELISA and WB....
Klonalität	Polyclonal
NCBI	<a href="#">214</a>
Puffer	Lyophilized from 0.2 um sterile-filtered solution in PBS, 50 ug BSA

Reinheit	Immunoaffinity purified
Formulierung	Lyophilized from 0.2 um sterile-filtered solution in PBS, 50 ug BSA
Application Verdünnung	ELISA, WB
Anwendungsbeschreibung	Suitable for use in Western Blot. Using plates coated with 100 ul/well of the capture antibody, in combination with 100 ul/well of the detection antibody at 50 ng/ml, an ELISA for sample volumes of 100 ul can be obtained. To arrive at the optimal dose ra
