Polyclonal Sheep anti-Rat IL2RA / CD25 Antibody (Biotin, Extracellular Domain, WB) LS-C125796 LS-C125796-50

Artikelname	Polyclonal Sheep anti-Rat IL2RA / CD25 Antibody (Biotin, Extracellular Domain, WB) LS-C125796
Artikelnummer	LS-C125796-50
Hersteller Artikelnummer	LS-C125796-50
Alternativnummer	LS-C125796-50
Hersteller	LifeSpan Biosciences
Wirt	Sheep
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Rat
Immunogen	CHO cell-derived, recombinant rat IL-2 R alpha extracellular domain.
Konjugation	Biotin
Produktbeschreibung	CD25 antibody LS-C125796 is a biotin-conjugated sheep polyclonal antibody to rat CD25 (IL2RA) (Extracellular Domain). Validated for WB....
Klonalität	Polyclonal
NCBI	3559
Puffer	Lyophilized from Sterile Solution PBS, BSA

Reinheit	Immunoaffinity purified
Formulierung	Lyophilized from Sterile Solution PBS, BSA
Application Verdünnung	WB (0.1 - 0.2 µg/ml)
Anwendungsbeschreibung	Suitable for use in Western blot: 0.1-0.2 ug/ml. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
