Polyclonal Goat anti-Human SLPI / Antileukoproteinase Antibody (Biotin, Extracellular Domain, WB) LS-C126253 LS-C126253-50

Artikelname	Polyclonal Goat anti-Human SLPI / Antileukoproteinase Antibody (Biotin, Extracellular Domain, WB) LS-C126253
Artikelnummer	LS-C126253-50
Hersteller Artikelnummer	LS-C126253-50
Alternativnummer	LS-C126253-50
Hersteller	LifeSpan Biosciences
Wirt	Goat
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Human
Immunogen	NS0-derived, recombinant human Activin-Receptor-Like Kinase-1 extracellular domain.
Konjugation	Biotin
Produktbeschreibung	Antileukoproteinase antibody LS-C126253 is a biotin-conjugated goat polyclonal antibody to human Antileukoproteinase (SLPI) (Extracellular Domain). Validated for WB....
Klonalität	Polyclonal
NCBI	6590
Puffer	Lyophilized from Sterile Solution PBS

Reinheit	Immunoaffinity purified
Formulierung	Lyophilized from Sterile Solution PBS
Application Verdünnung	WB (0.1 - 0.2 µg/ml)
Anwendungsbeschreibung	Suitable for use in Western blot: 0.1-0.2 ug/ml. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
