## Product Datasheet

### **Polyclonal Goat anti-Human FST / Follistatin Antibody (Biotin, WB) LS-C129178 LS-C129178-50**

Artikelname	Polyclonal Goat anti-Human FST / Follistatin Antibody (Biotin, WB) LS-C129178
Artikelnummer	LS-C129178-50
Hersteller Artikelnummer	LS-C129178-50
Alternativnummer	LS-C129178-50
Hersteller	LifeSpan Biosciences
Wirt	Goat
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Human, Mouse
Immunogen	S. frugiperda insect ovarian cell line Sf 21-derived recombinant human Follistatin, Gly30-Asp329 (Accession P19883).
Konjugation	Biotin
Produktbeschreibung	Follistatin antibody LS-C129178 is a biotin-conjugated goat polyclonal antibody to Follistatin (FST) from human. It is reactive with human and mouse. Validated for WB....
Klonalität	Polyclonal
NCBI	<a href="#">10468</a>
Puffer	Lyophilized from PBS, BSA

Reinheit	Immunoaffinity purified
Formulierung	Lyophilized from PBS, BSA
Application Verdünnung	WB (0.1 µg/ml)
Anwendungsbeschreibung	Suitable for use in Western blot: 0.1 ug/ml. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
