| Hersteller               | LifeSpan Biosciences                                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                                                                |
| Applikation              | IP                                                                                                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                         |
| Immunogen                | Synthetic peptide corresponding to a sequence at the C-Terminus of human DRD1, identical to the related rat and mouse sequence.                                                                                           |
| Konjugation              | Magnetic Beads                                                                                                                                                                                                            |
| Produktbeschreibung      | Dopamine Receptor D1 antibody LS-C172031 is a Magnetic beads-conjugated rabbit polyclonal antibody to Dopamine Receptor D1 (DRD1) (C-Terminus) from human. It is reactive with human, mouse and rat. Validated for IP.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                |
| NCBI                     | <a href="#">1812</a>                                                                                                                                                                                                      |

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Puffer                 | 1 mg/ml magnetic beads in PBS, pH 7.2, 0.05 mg sodium azide |
| Reinheit               | Immunoaffinity purified                                     |
| Formulierung           | 1 mg/ml magnetic beads in PBS, pH 7.2, 0.05 mg sodium azide |
| Application Verdünnung | IP                                                          |
| Anwendungsbeschreibung | IP                                                          |
