| Hersteller               | LifeSpan Biosciences                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                   |
| Applikation              | IP                                                                                                                                                                                           |
| Spezies Reaktivität      | Fish, Human, Rat, Zebrafish                                                                                                                                                                  |
| Immunogen                | Synthetic peptide corresponding to a sequence of human Cullin 4B, identical to the related rat and mouse sequence.                                                                           |
| Konjugation              | Sephарose                                                                                                                                                                                    |
| Produktbeschreibung      | CUL4B antibody LS-C172038 is a Sephарose-conjugated rabbit polyclonal antibody to CUL4B (Cullin 4B) from human. It is reactive with human, rat, fish and other species. Validated for IP.... |
| Klonalität               | Polyclonal                                                                                                                                                                                   |
| NCBI                     | <a href="#">8450</a>                                                                                                                                                                         |
| Puffer                   | 50% slurry in PBS, pH 7.2, 0.01 mg sodium azide                                                                                                                                              |

|                        |                                                 |
|------------------------|-------------------------------------------------|
| Reinheit               | Immunoaffinity purified                         |
| Formulierung           | 50% slurry in PBS, pH 7.2, 0.01 mg sodium azide |
| Application Verdünnung | IP                                              |
| Anwendungsbeschreibung | IP                                              |
