| Wirt                     | Rabbit                                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                                              |
| Applikation              | IP                                                                                                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                       |
| Immunogen                | Synthetic peptide corresponding to a sequence at the middle region of human L-selectin (125-141 aa), identical to the related mouse and rat sequence.                                                   |
| Konjugation              | Magnetic Beads                                                                                                                                                                                          |
| Produktbeschreibung      | CD62L antibody LS-C172230 is a Magnetic beads-conjugated rabbit polyclonal antibody to CD62L (SELL / L-Selectin) (aa125-141) from human. It is reactive with human, mouse and rat. Validated for IP.... |
| Klonalität               | Polyclonal                                                                                                                                                                                              |
| NCBI                     | <a href="#">6402</a>                                                                                                                                                                                    |

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Puffer                 | 1 mg/ml magnetic beads in PBS, pH 7.2, 0.05 mg sodium azide |
| Reinheit               | Immunoaffinity purified                                     |
| Formulierung           | 1 mg/ml magnetic beads in PBS, pH 7.2, 0.05 mg sodium azide |
| Application Verdünnung | IP                                                          |
| Anwendungsbeschreibung | IP                                                          |
