| Hersteller               | LifeSpan Biosciences                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                              |
| Applikation              | ICC, IHC, IHC-P, WB                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                            |
| Immunogen                | Full length human NDUFA12 Recombinant protein.                                                                                                                                          |
| Konjugation              | Unconjugated                                                                                                                                                                            |
| Produktbeschreibung      | B17.2 antibody LS-C186079 is an unconjugated rabbit polyclonal antibody to B17.2 (NDUFA12) (aa1-145) from human. It is reactive with human and mouse. Validated for ICC, IHC and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                              |
| Konzentration            | 0.89 mg/ml                                                                                                                                                                              |
| NCBI                     | <a href="#">55967</a>                                                                                                                                                                   |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 0.1 M Tris, pH 7, 0.1 M Glycine, 10% Glycerol, 0.01% Thimerosal                                                           |
| Reinheit               | Immunoaffinity purified                                                                                                   |
| Formulierung           | 0.1 M Tris, pH 7, 0.1 M Glycine, 10% Glycerol, 0.01% Thimerosal                                                           |
| Application Verdünnung | ICC (1:100 - 1:1000), IHC, IHC-P (1:100 - 1:1000), WB (1:500 - 1:3000)                                                    |
| Anwendungsbeschreibung | IHC-paraffin: Suggested antigen retrieval using heat mediated 10 mM Citrate buffer (pH 6.0) or Tris-EDTA buffer (pH 8.0). |
