## Product Datasheet

### **Polyclonal Rabbit anti-Human GLDC Antibody (aa442-723, IHC, WB) LS-C186145** **LS-C186145-100**

|                          |                                                                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Polyclonal Rabbit anti-Human GLDC Antibody (aa442-723, IHC, WB) LS-C186145                                                              |
| Artikelnummer            | LS-C186145-100                                                                                                                          |
| Hersteller Artikelnummer | LS-C186145-100                                                                                                                          |
| Alternativnummer         | LS-C186145-100                                                                                                                          |
| Hersteller               | LifeSpan Biosciences                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                              |
| Applikation              | ICC, IHC, IHC-P, WB                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                   |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human Glycine dehydrogenase. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                            |
| Produktbeschreibung      | GLDC antibody LS-C186145 is an unconjugated rabbit polyclonal antibody to human GLDC (aa442-723). Validated for ICC, IHC and WB....     |
| Klonalität               | Polyclonal                                                                                                                              |
| Konzentration            | 0.46 mg/ml                                                                                                                              |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">2731</a>                                                                                                      |
| Puffer                 | 1X PBS, pH 7, 0.025% ProClin(TM) 300, 20% Glycerol, 1% BSA                                                                |
| Reinheit               | Immunoaffinity purified                                                                                                   |
| Formulierung           | 1X PBS, pH 7, 0.025% ProClin(TM) 300, 20% Glycerol, 1% BSA                                                                |
| Application Verdünnung | ICC (1:100 - 1:1000), IHC, IHC-P (1:100 - 1:1000), WB (1:500 - 1:3000)                                                    |
| Anwendungsbeschreibung | IHC-paraffin: Suggested antigen retrieval using heat mediated 10 mM Citrate buffer (pH 6.0) or Tris-EDTA buffer (pH 8.0). |
