Polyclonal Rabbit anti-Yeast ALDH / Aldehyde Dehydrogenase Antibody (Biotin, WB) LS-C191515 LS-C191515-1

Artikelname	Polyclonal Rabbit anti-Yeast ALDH / Aldehyde Dehydrogenase Antibody (Biotin, WB) LS-C191515
Artikelnummer	LS-C191515-1
Hersteller Artikelnummer	LS-C191515-1
Alternativnummer	LS-C191515-1
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	ELISA, ID, IEP, WB
Spezies Reaktivität	Yeast
Immunogen	Aldehyde dehydrogenase isolated and purified from bakers yeast.
Konjugation	Biotin
Produktbeschreibung	Aldehyde Dehydrogenase antibody LS-C191515 is a biotin-conjugated rabbit polyclonal antibody to yeast Aldehyde Dehydrogenase (ALDH). Validated for ELISA, ID, IE, Inhb and WB....
Klonalität	Polyclonal
Puffer	Lyophilized from PBS, pH 7.2, No preservatives added
Reinheit	Purified

Formulierung	Lyophilized from PBS, pH 7.2, No preservatives added
Application Verdünnung	ELISA, ID, IE, Inhb, WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
