| Hersteller               | LifeSpan Biosciences                                                                                                                                     |
| Wirt                     | Mouse                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | ELISA, IF, WB                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                    |
| Immunogen                | TUBA3 (NP_006000, aa 352-451). A partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.                                            |
| Konjugation              | Unconjugated                                                                                                                                             |
| Produktbeschreibung      | Tubulin Alpha 1a antibody LS-C198502 is an unconjugated mouse monoclonal antibody to human Tubulin Alpha 1a (TUBA1A). Validated for ELISA, IF and WB.... |
| Klonalität               | Monoclonal                                                                                                                                               |
| Klon-Bezeichnung         | [2D2]                                                                                                                                                    |
| NCBI                     | <a href="#">7846</a>                                                                                                                                     |

|                        |                                                                                      |
|------------------------|--------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.4                                                                          |
| Reinheit               | Purified from ascites by Protein A                                                   |
| Formulierung           | PBS, pH 7.4                                                                          |
| Application Verdünnung | ELISA, IF (10 µg/ml), WB                                                             |
| Anwendungsbeschreibung | Sandwich ELISA: Recombinant protein. Western Blot: Cell lysate, Recombinant protein. |
