Polyclonal Rabbit anti-Human CFL1 / Cofilin Antibody (FITC, aa4-32, WB) LS-C206445 LS-C206445-200

| | |
|--------------------------|---|
| Artikelname | Polyclonal Rabbit anti-Human CFL1 / Cofilin Antibody (FITC, aa4-32, WB) LS-C206445 |
| Artikelnummer | LS-C206445-200 |
| Hersteller Artikelnummer | LS-C206445-200 |
| Alternativnummer | LS-C206445-200 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | ELISA, WB |
| Spezies Reaktivität | Human, Mouse |
| Konjugation | FITC |
| Produktbeschreibung | Cofilin antibody LS-C206445 is an FITC-conjugated rabbit polyclonal antibody to Cofilin (CFL1) (aa4-32) from human. It is reactive with human and mouse. Validated for ELISA and WB.... |
| Klonalität | Polyclonal |
| NCBI | 1072 |
| Puffer | PBS, pH 7.2, 0.09% Sodium Azide |
| Reinheit | Protein G purified |

| | |
|------------------------|---|
| Formulierung | PBS, pH 7.2, 0.09% Sodium Azide |
| Application Verdünnung | ELISA, WB |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
