## Product Datasheet

### **Polyclonal Rabbit anti-Human A4GALT Antibody (FITC, aa26-54, WB) LS-C232271 LS-C232271-200**

|                          |   |
|--------------------------|---|
| Artikelname              | Polyclonal Rabbit anti-Human A4GALT Antibody (FITC, aa26-54, WB) LS-C232271   |
| Artikelnummer            | LS-C232271-200  |
| Hersteller Artikelnummer | LS-C232271-200  |
| Alternativnummer         | LS-C232271-200  |
| Hersteller               | LifeSpan Biosciences  |
| Wirt                     | Rabbit  |
| Kategorie                | Antikörper  |
| Applikation              | ELISA, WB   |
| Spezies Reaktivität      | Human   |
| Konjugation              | FITC  |
| Produktbeschreibung      | A4GALT antibody LS-C232271 is an FITC-conjugated rabbit polyclonal antibody to human A4GALT (aa26-54). Validated for ELISA and WB.... |
| Klonalität               | Polyclonal  |
| NCBI                     | <a href="#">53947</a>   |
| Puffer                   | PBS, No preservatives added   |
| Reinheit                 | Affinity purified   |
| Formulierung             | PBS, No preservatives added   |

|                        |   |
|------------------------|---|
| Application Verdünnung | ELISA, WB   |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
