Polyclonal Rabbit anti-Human EBP Antibody (Biotin, aa1-30, WB) LS-C277027 LS-C277027-200

| | |
|--------------------------|---|
| Artikelname | Polyclonal Rabbit anti-Human EBP Antibody (Biotin, aa1-30, WB) LS-C277027 |
| Artikelnummer | LS-C277027-200 |
| Hersteller Artikelnummer | LS-C277027-200 |
| Alternativnummer | LS-C277027-200 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | ELISA, WB |
| Spezies Reaktivität | Human, Mouse |
| Konjugation | Biotin |
| Produktbeschreibung | EBP antibody LS-C277027 is a biotin-conjugated rabbit polyclonal antibody to EBP (aa1-30) from human. It is reactive with human and mouse. Validated for ELISA and WB.... |
| Klonalität | Polyclonal |
| NCBI | 10682 |
| Puffer | PBS, pH 7.2, 0.09% Sodium Azide |
| Reinheit | Affinity purified |

| | |
|------------------------|---|
| Formulierung | PBS, pH 7.2, 0.09% Sodium Azide |
| Application Verdünnung | ELISA, WB |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
