| Alternativnummer         | LS-C297068-1                                                                                                                              |
| Hersteller               | LifeSpan Biosciences                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                |
| Applikation              | WB                                                                                                                                        |
| Spezies Reaktivität      | Porcine                                                                                                                                   |
| Immunogen                | Recombinant S100A11 (Met1-Lys99) expressed in E. coli.                                                                                    |
| Konjugation              | Biotin                                                                                                                                    |
| Produktbeschreibung      | S100A11 antibody LS-C297068 is a biotin-conjugated rabbit polyclonal antibody to pig S100A11 (Calgizzarin) (aa1-99). Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                                |
| Konzentration            | 0.5 mg/ml                                                                                                                                 |
| NCBI                     | <a href="#">6282</a>                                                                                                                      |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                         |
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                         |
| Application Verdünnung | WB (1:100 - 1:400)                                                                                                    |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
