| Hersteller               | LifeSpan Biosciences                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | WB                                                                                                                                     |
| Spezies Reaktivität      | Mouse                                                                                                                                  |
| Immunogen                | Recombinant LEFTY2 (Tyr247-Asp358) expressed in E. coli.                                                                               |
| Konjugation              | Biotin                                                                                                                                 |
| Produktbeschreibung      | LEFTY2 antibody LS-C297120 is a biotin-conjugated rabbit polyclonal antibody to mouse LEFTY2 (TGFB4) (aa247-358). Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                             |
| Konzentration            | 0.5 mg/ml                                                                                                                              |
| NCBI                     | <a href="#">7044</a>                                                                                                                   |
| Puffer                   | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                          |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                         |
| Application Verdünnung | WB (1:100 - 1:400)                                                                                                    |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
