| Alternativnummer         | LS-C829649-100                                                                                                                                              |
| Hersteller               | LifeSpan Biosciences                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                  |
| Applikation              | IHC, WB                                                                                                                                                     |
| Spezies Reaktivität      | Virus                                                                                                                                                       |
| Immunogen                | A synthetic peptide from aa region 10-50 of Influenza A virus Nonstructural protein 1 conjugated to an immunogenic carrier protein was used as the antigen. |
| Konjugation              | Unconjugated                                                                                                                                                |
| Produktbeschreibung      | NS antibody LS-C829649 is an unconjugated rabbit-new zealand white polyclonal antibody to influenza a virus NS (aa10-50). Validated for IHC and WB....      |
| Klonalität               | Polyclonal                                                                                                                                                  |
| Puffer                   | Lyophilized. Whole Serum.                                                                                                                                   |

|                        |                                           |
|------------------------|-------------------------------------------|
| Formulierung           | Lyophilized. Whole Serum.                 |
| Application Verdünnung | IHC (1:300 - 1:2000), WB (1:300 - 1:2000) |
| Anwendungsbeschreibung | Applications should be user optimized.    |
