## Product Datasheet

### **Polyclonal Goat anti-Human APOA1 / Apolipoprotein A 1 Antibody (Biotin, WB) LS-C92144 LS-C92144-1**

Artikelname	Polyclonal Goat anti-Human APOA1 / Apolipoprotein A 1 Antibody (Biotin, WB) LS-C92144
Artikelnummer	LS-C92144-1
Hersteller Artikelnummer	LS-C92144-1
Alternativnummer	LS-C92144-1
Hersteller	LifeSpan Biosciences
Wirt	Goat
Kategorie	Antikörper
Applikation	ELISA, WB
Spezies Reaktivität	Human
Immunogen	Purified Human Apo AI.
Konjugation	Biotin
Produktbeschreibung	Apolipoprotein A 1 antibody LS-C92144 is a biotin-conjugated goat polyclonal antibody to human Apolipoprotein A 1 (APOA1). Validated for ELISA and WB....
Klonalität	Polyclonal
NCBI	<a href="#">335</a>
Puffer	Lyophilized from 75 mM PBS, pH 7.2, 75 mM sodium chloride, 0.5 mM EDTA, 10 mg/ml BSA, 0.02% sodium azide

Reinheit	Affinity purified
Formulierung	Lyophilized from 75 mM PBS, pH 7.2, 75 mM sodium chloride, 0.5 mM EDTA, 10 mg/ml BSA, 0.02% sodium azide
Application Verdünnung	ELISA (1:4000 - 1:20000), WB (1:100 - 1:4000)
Anwendungsbeschreibung	Suitable for use in ELISA and Western Blot. ELISA: 1:4000-1:20000. Western Blot: 1:100-1:4000. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
