| Hersteller Artikelnummer | LS-C718564-500                                                                                                                                                   |
| Alternativnummer         | LS-C718564-500                                                                                                                                                   |
| Hersteller               | LifeSpan Biosciences                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                       |
| Applikation              | WB                                                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                     |
| Immunogen                | Recombinant TAZ (Gly154-Arg292) expressed in E. coli.                                                                                                            |
| Konjugation              | APC                                                                                                                                                              |
| Produktbeschreibung      | TAZ antibody LS-C718564 is an APC-conjugated rabbit polyclonal antibody to TAZ (aa154-292) from human. It is reactive with human and mouse. Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                                                       |
| Konzentration            | 0.1 mg/ml                                                                                                                                                        |
| NCBI                     | <a href="#">6901</a>                                                                                                                                             |

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Verdünnung | WB                                                                                     |
| Anwendungsbeschreibung | WB                                                                                     |
