| Artikelname              | Polyclonal Guinea pig anti-Rabbit PRKCB / PKC-Beta Antibody (PE, aa342-600, WB) LS-C722977                                                  |
| Artikelnummer            | LS-C722977-500                                                                                                                              |
| Hersteller Artikelnummer | LS-C722977-500                                                                                                                              |
| Alternativnummer         | LS-C722977-500                                                                                                                              |
| Hersteller               | LifeSpan Biosciences                                                                                                                        |
| Wirt                     | Guinea pig                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | WB                                                                                                                                          |
| Spezies Reaktivität      | Rabbit                                                                                                                                      |
| Immunogen                | Recombinant PKCb1 (Phe342-Phe600) expressed in E. coli.                                                                                     |
| Konjugation              | PE                                                                                                                                          |
| Produktbeschreibung      | PKC-Beta antibody LS-C722977 is a PE-conjugated guinea pig polyclonal antibody to rabbit PKC-Beta (PRKCB) (aa342-600). Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                                  |
| Konzentration            | 0.1 mg/ml                                                                                                                                   |
| NCBI                     | <a href="#">5579</a>                                                                                                                        |

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Verdünnung | WB                                                                                     |
| Anwendungsbeschreibung | WB                                                                                     |
