| Hersteller               | LifeSpan Biosciences                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                               |
| Applikation              | WB                                                                                                                                       |
| Spezies Reaktivität      | Mouse                                                                                                                                    |
| Immunogen                | Recombinant TNFSF14 (Thr51-Val239) expressed in E. coli.                                                                                 |
| Konjugation              | APC/Cy7                                                                                                                                  |
| Produktbeschreibung      | LIGHT antibody LS-C731495 is an APC, Cy7-conjugated rabbit polyclonal antibody to mouse LIGHT (TNFSF14) (aa51-239). Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                               |
| Konzentration            | 0.1 mg/ml                                                                                                                                |
| NCBI                     | <a href="#">8740</a>                                                                                                                     |

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Verdünnung | WB                                                                                     |
| Anwendungsbeschreibung | WB                                                                                     |
