| Artikelname              | Polyclonal Rabbit anti-Human RETN / Resistin Antibody (APC,Cy7, aa17-108, WB) LS-C731557                                                    |
| Artikelnummer            | LS-C731557-500                                                                                                                              |
| Hersteller Artikelnummer | LS-C731557-500                                                                                                                              |
| Alternativnummer         | LS-C731557-500                                                                                                                              |
| Hersteller               | LifeSpan Biosciences                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | WB                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                       |
| Immunogen                | Recombinant RETN (Ser17-Pro108) expressed in E. coli.                                                                                       |
| Konjugation              | APC/Cy7                                                                                                                                     |
| Produktbeschreibung      | Resistin antibody LS-C731557 is an APC, Cy7-conjugated rabbit polyclonal antibody to human Resistin (RETN) (aa17-108). Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                                  |
| NCBI                     | <a href="#">56729</a>                                                                                                                       |
| Puffer                   | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                               |

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Verdünnung | WB                                                                                     |
| Anwendungsbeschreibung | WB                                                                                     |
