## Product Datasheet

### **Polyclonal Goat anti-Human PLXND1 / Plexin D1 Antibody (Biotin, Extracellular Domain, WB) LS-C74983 LS-C74983-50**

Artikelname	Polyclonal Goat anti-Human PLXND1 / Plexin D1 Antibody (Biotin, Extracellular Domain, WB) LS-C74983
Artikelnummer	LS-C74983-50
Hersteller Artikelnummer	LS-C74983-50
Alternativnummer	LS-C74983-50
Hersteller	LifeSpan Biosciences
Wirt	Goat
Kategorie	Antikörper
Applikation	FC, WB
Spezies Reaktivität	Human
Immunogen	NS0-derived recombinant human rhPlexin D1 extracellular domain.
Konjugation	Biotin
Produktbeschreibung	Plexin D1 antibody LS-C74983 is a biotin-conjugated goat polyclonal antibody to human Plexin D1 (PLXND1) (Extracellular Domain). Validated for Flow and WB....
Klonalität	Polyclonal
NCBI	<a href="#">23129</a>
Puffer	Lyophilized from PBS, BSA

Reinheit	Immunoaffinity purified
Formulierung	Lyophilized from PBS, BSA
Application Verdünnung	Flo (25 µg/ml), WB
Anwendungsbeschreibung	Suitable for use in Western Blot and Flow cytometry. Western blot: 0.1 0.2 ug/ml. The detection limit is ~1 ng/lane under non-reducing and reducing conditions. Flow cytometry: 25 ug/ml. Add 10il of the diluted solution to 1-2.5 x 10 5 cells in a total re
