## Product Datasheet

### **Monoclonal Rat anti-Drosophila HSP70B Antibody (clone 7FB, RPE, IF, WB) LS-C774193 LS-C774193-100**

|                          |                                                                                                                                  |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Monoclonal Rat anti-Drosophila HSP70B Antibody (clone 7FB, RPE, IF, WB) LS-C774193                                               |
| Artikelnummer            | LS-C774193-100                                                                                                                   |
| Hersteller Artikelnummer | LS-C774193-100                                                                                                                   |
| Alternativnummer         | LS-C774193-100                                                                                                                   |
| Hersteller               | LifeSpan Biosciences                                                                                                             |
| Wirt                     | Rat                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                       |
| Applikation              | ELISA, IF, WB                                                                                                                    |
| Spezies Reaktivität      | Drosophila                                                                                                                       |
| Immunogen                | Prepared from Drosophila tissue culture cells heat shocked at 36.5 degrees C for 3 hours, and isolated using SDS PAGE.           |
| Konjugation              | RPE                                                                                                                              |
| Produktbeschreibung      | HSP70B antibody LS-C774193 is an RPE-conjugated rat monoclonal antibody to drosophila HSP70B. Validated for ELISA, IF and WB.... |
| Klonalität               | Monoclonal                                                                                                                       |
| Konzentration            | 1 mg/ml                                                                                                                          |
| Klon-Bezeichnung         | [7FB]                                                                                                                            |

|                        |                                              |
|------------------------|----------------------------------------------|
| Isotyp                 | IgG2b                                        |
| Puffer                 | PBS, pH 7.4, 0.1% Sodium Azide, 50% Glycerol |
| Reinheit               | Protein G purified                           |
| Formulierung           | PBS, pH 7.4, 0.1% Sodium Azide, 50% Glycerol |
| Application Verdünnung | ELISA, IF, WB (1:2000)                       |
| Anwendungsbeschreibung | Applications should be user optimized.       |
