### Monoclonal Mouse anti-Rat SIRP / Signal-Regulatory Protein Antibody (clone MRC OX-41, Biotin, IF) LS-C62650 LS-C62650-100

|                          |  |
|--------------------------|--|
| Artikelname              | Monoclonal Mouse anti-Rat SIRP / Signal-Regulatory Protein Antibody<br>(clone MRC OX-41, Biotin, IF) LS-C62650   |
| Artikelnummer            | LS-C62650-100  |
| Hersteller Artikelnummer | LS-C62650-100  |
| Alternativnummer         | LS-C62650-100  |
| Hersteller               | LifeSpan Biosciences   |
| Wirt                     | Mouse  |
| Kategorie                | Antikörper   |
| Applikation              | FC, ICC, IF, RIA   |
| Spezies Reaktivität      | Rat  |
| Immunogen                | Rat peritoneal macrophages   |
| Konjugation              | Biotin   |
| Produktbeschreibung      | Signal-Regulatory Protein antibody LS-C62650 is a biotin-conjugated mouse monoclonal antibody to rat Signal-Regulatory Protein (SIRP). Validated for Flow, ICC, IF and RIA.... |
| Klonalität               | Monoclonal   |
| Klon-Bezeichnung         | [MRC OX-41]  |
| Isotyp                   | IgG2a  |

|                        |   |
|------------------------|---|
| Puffer                 | PBS, 0.02% Sodium Azide, BSA  |
| Reinheit               | Protein G purified  |
| Formulierung           | PBS, 0.02% Sodium Azide, BSA  |
| Application Verdünnung | Flo (1 µg/10E6 cells), ICC, IF, RIA   |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
