Monoclonal Mouse anti-Rat CD71 / Transferrin Receptor Antibody (clone MRC OX-26, Biotin) LS-C62675 LS-C62675-100

| | |
|--------------------------|---|
| Artikelname | Monoclonal Mouse anti-Rat CD71 / Transferrin Receptor Antibody (clone MRC OX-26, Biotin) LS-C62675 |
| Artikelnummer | LS-C62675-100 |
| Hersteller Artikelnummer | LS-C62675-100 |
| Alternativnummer | LS-C62675-100 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Mouse |
| Kategorie | Antikörper |
| Applikation | FC |
| Spezies Reaktivität | Rat |
| Immunogen | PHA activated lymph node cells of PVG rat. |
| Konjugation | Biotin |
| Produktbeschreibung | Transferrin Receptor antibody LS-C62675 is a biotin-conjugated mouse monoclonal antibody to rat Transferrin Receptor (CD71). Validated for Flow.... |
| Klonalität | Monoclonal |
| Klon-Bezeichnung | [MRC OX-26] |
| Isotyp | IgG2a |

| | |
|------------------------|---|
| NCBI | 7037 |
| Puffer | PBS, 0.02% Sodium Azide, BSA |
| Reinheit | Protein G purified |
| Formulierung | PBS, 0.02% Sodium Azide, BSA |
| Application Verdünnung | Flo (1 µg/10E6 cells) |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
