## Product Datasheet

### **Polyclonal Goat anti-Schistosoma japonicum GST / Glutathione S-Transferase Antibody (Biotin, IHC, WB) LS-C66694 LS-C66694-1**

Artikelname	Polyclonal Goat anti-Schistosoma japonicum GST / Glutathione S-Transferase Antibody (Biotin, IHC, WB) LS-C66694
Artikelnummer	LS-C66694-1
Hersteller Artikelnummer	LS-C66694-1
Alternativnummer	LS-C66694-1
Hersteller	LifeSpan Biosciences
Wirt	Goat
Kategorie	Antikörper
Applikation	ELISA, IHC, WB
Spezies Reaktivität	Plant
Immunogen	Glutathione-S-Transferase [Schistosoma japonicum].
Konjugation	Biotin
Produktbeschreibung	Glutathione S-Transferase antibody LS-C66694 is a biotin-conjugated goat polyclonal antibody to schistosoma japonicum Glutathione S-Transferase (GST). Validated for ELISA, IHC and WB....
Klonalität	Polyclonal
Puffer	Supplied lyophilized PBS, pH 7.2, with 10 mg/ml BSA (IgG and Protease free) added as a stabilizer, and 0.01% Sodium Azide as a preservative

Reinheit	Affinity purified
Formulierung	Supplied lyophilized PBS, pH 7.2, with 10 mg/ml BSA (IgG and Protease free) added as a stabilizer, and 0.01% Sodium Azide as a preservative
Application Verdünnung	ELISA (1:2500), IHC, WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
