| Hersteller               | Biorbyt                                                                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                               |
| Applikation              | Blocking                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                   |
| Produktbeschreibung      | The peptide is used to anti RHOBTB3 antibody reactivity....                                                                                                                                                                                                    |
| UniProt                  | <a href="#">O94955</a>                                                                                                                                                                                                                                         |
| Reinheit                 | > 85%                                                                                                                                                                                                                                                          |
| Formulierung             | Lyophilized powder                                                                                                                                                                                                                                             |
| Target-Kategorie         | RHOBTB3                                                                                                                                                                                                                                                        |
| Anwendungsbeschreibung   | This peptide was used as immunogen to produce orb318886 (RHOBTB3 antibody)The quality of the peptide was evaluated by reversed-phase HPLC and by mass spectrometry.Experiment Notes: Blocking Peptide to the diluted primary antibody in a molar ratio of 10:1 |
