### CCR2 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB1145763

|                          |                                                                           |
|--------------------------|---------------------------------------------------------------------------|
| Artikelname              | CCR2 Antibody, Unconjugated, Rabbit, Polyclonal                           |
| Artikelnummer            | BYT-ORB1145763                                                            |
| Hersteller Artikelnummer | orb1145763                                                                |
| Alternativnummer         | BYT-ORB1145763-10,BYT-ORB1145763-100                                      |
| Hersteller               | Biorbyt                                                                   |
| Wirt                     | Rabbit                                                                    |
| Kategorie                | Antikörper                                                                |
| Applikation              | ELISA, IHC, WB                                                            |
| Spezies Reaktivität      | Human                                                                     |
| Immunogen                | E.coli-derived human CCR2 recombinant protein (Position: R6-L45).         |
| Konjugation              | Unconjugated                                                              |
| Produktbeschreibung      | CCR2 Antibody...                                                          |
| Klonalität               | Polyclonal                                                                |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml. |
| Molekulargewicht         | 50 kDa                                                                    |
| UniProt                  | <a href="#">P41597</a>                                                    |
| Formulierung             | Lyophilized                                                               |

|                        |                                                                                                                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human Direct ELISA, 0.1-0.5 µg/ml, Human                                                                                               |
| Anwendungsbeschreibung | Tested Species: In-house tested species with positive results. Other applications have not been tested. Optimal dilutions should be determined by end users. Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml. |
