| Artikelname              | Anti-zinc finger protein 655 (ZNF655) Mouse Monoclonal Antibody [Clone ID: OTI6H9], IgG2b, Clone: [Clone: OTI6H9]            |
| Artikelnummer            | BOB-M13350                                                                                                                   |
| Hersteller Artikelnummer | M13350                                                                                                                       |
| Alternativnummer         | BOB-M13350-100UL                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                   |
| Wirt                     | Mouse                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                   |
| Applikation              | WB                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                        |
| Immunogen                | Full length human recombinant protein of human ZNF655 (NP_001009960) produced in E.coli.                                     |
| Produktbeschreibung      | Boster Bio ZNF655 mouse monoclonal antibody, clone OTI6H9. Catalog M13350. Tested in WB. This antibody reacts with Human.... |
| Klonalität               | Monoclonal                                                                                                                   |
| Konzentration            | 1 mg/ml                                                                                                                      |
| Klon-Bezeichnung         | [Clone: OTI6H9]                                                                                                              |
| Isotyp                   | IgG2b                                                                                                                        |

|          |                                                                                                           |
|----------|-----------------------------------------------------------------------------------------------------------|
| UniProt  | <a href="#">Q8N720</a>                                                                                    |
| Puffer   | PBS (PH 7.3) containing 1% BSA, 50% glycerol and 0.02% sodium azide.                                      |
| Reinheit | Purified from mouse ascites fluids or tissue culture supernatant by affinity chromatography (protein A/G) |
