### Human FABP4/A Fabp ELISA Kit BYT-ORB381133

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | Human FABP4/A Fabp ELISA Kit                                               |
| Biozol Catalog Number      | BYT-ORB381133                                                              |
| Supplier Catalog Number    | orb381133                                                                  |
| Alternative Catalog Number | BYT-ORB381133-96                                                           |
| Manufacturer               | Biorbyt                                                                    |
| Category                   | Antikörper                                                                 |
| Application                | ELISA                                                                      |
| Species Reactivity         | Human                                                                      |
| Immunogen                  | Expression system for standard: E.coli, Immunogen sequence: M1-A132        |
| Product Description        | Human FABP4/A Fabp ELISA Kit...                                            |
| Molecular Weight           | 14719 MW                                                                   |
| Range                      | 156 pg/ml - 10,000 pg/ml                                                   |
| Sensitivity                | < 15 pg/ml                                                                 |
| UniProt                    | <a href="#">P15090</a>                                                     |
| Samples                    | cell culture supernatants, serum, plasma (heparin, EDTA) and cell lysates. |
| Application Dilute         | Dilution ratio of 1:10, concentration in serum and plasma is 5-20 ng/ml.   |
