### PDSS1 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB1241347

|                          |                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------|
| Artikelname              | PDSS1 Antibody, Unconjugated, Rabbit, Polyclonal                                                       |
| Artikelnummer            | BYT-ORB1241347                                                                                         |
| Hersteller Artikelnummer | orb1241347                                                                                             |
| Alternativnummer         | BYT-ORB1241347-100                                                                                     |
| Hersteller               | Biorbyt                                                                                                |
| Wirt                     | Rabbit                                                                                                 |
| Kategorie                | Antikörper                                                                                             |
| Applikation              | ELISA, WB                                                                                              |
| Spezies Reaktivität      | Human, Mouse                                                                                           |
| Immunogen                | Antibody produced in rabbits immunized with a synthetic peptide corresponding a region of human PDSS1. |
| Konjugation              | Unconjugated                                                                                           |
| Produktbeschreibung      | PDSS1 Antibody...                                                                                      |
| Klonalität               | Polyclonal                                                                                             |
| Konzentration            | batch dependent                                                                                        |
| Molekulargewicht         | 46 kDa                                                                                                 |
| NCBI                     | <a href="#">055132</a>                                                                                 |
| UniProt                  | <a href="#">Q5T2R2</a>                                                                                 |

|                        |                                                                                                                                                                                                                                     |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                                                           |
| Formulierung           | Liquid                                                                                                                                                                                                                              |
| Target-Kategorie       | PDSS1                                                                                                                                                                                                                               |
| Application Verdünnung | PDSS1 antibody can be used for detection of PDSS1 by ELISA at 1:312500. PDSS1 antibody can be used for detection of PDSS1 by western blot at 5.0 µg/mL, and HRP conjugated secondary antibody should be diluted 1:50,000 - 100,000. |
| Anwendungsbeschreibung | PDSS1 antibody can be used for detection of PDSS1 by ELISA at 1:312500. PDSS1 antibody can be used for detection of PDSS1 by western blot at 5.0 µg/mL, and HRP conjugated secondary antibody should be diluted 1:50,000 - 100,000. |
