| Artikelname              | EHD2 Antibody, Unconjugated, Goat, Polyclonal                                                                                                              |
| Artikelnummer            | BYT-ORB1248621                                                                                                                                             |
| Hersteller Artikelnummer | orb1248621                                                                                                                                                 |
| Alternativnummer         | BYT-ORB1248621-0.1                                                                                                                                         |
| Hersteller               | Biorbyt                                                                                                                                                    |
| Wirt                     | Goat                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                 |
| Applikation              | ELISA, FC, IF, WB                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                      |
| Immunogen                | The immunogen for this antibody is: CRLVPPSKRRHKGSA                                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                               |
| Produktbeschreibung      | EHD2 Antibody...                                                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                                                 |
| Konzentration            | 500 ug/mL                                                                                                                                                  |
| NCBI                     | <a href="#">055416</a>                                                                                                                                     |
| UniProt                  | <a href="#">Q9NZN4</a>                                                                                                                                     |
| Puffer                   | Supplied at 0.5 mg/ml in Tris saline, 0.02% sodium azide, pH 7.3 with 0.5% bovine serum albumin. Aliquot and store at -20C. Minimize freezing and thawing. |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                                         |
| Target-Kategorie       | EHD2                                                                                                                                                                                                                                                           |
| Application Verdünnung | Peptide ELISA: antibody detection limit dilution 1:64000.Western Blot:Approx 65kDa band observed in Human Placenta lysates (calculated MW of 61.2kDa according to NP_055416.2). Recommended concentration: 0.1-0.3ug/ml. Primary incubation was 1 hour.Immunof |
