## Product Datasheet

### **SARS-CoV-2 (COVID-19) nsp3 / PL-pro antibody [HL2350], Unconjugated, Rabbit, Monoclonal GTX638553**

|                          |                                                                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | SARS-CoV-2 (COVID-19) nsp3 / PL-pro antibody [HL2350], Unconjugated, Rabbit, Monoclonal                                                |
| Artikelnummer            | GTX638553                                                                                                                              |
| Hersteller Artikelnummer | GTX638553                                                                                                                              |
| Alternativnummer         | GTX638553-100, GTX638553-25                                                                                                            |
| Hersteller               | GeneTex                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | ICC, WB                                                                                                                                |
| Spezies Reaktivität      | Virus                                                                                                                                  |
| Immunogen                | Recombinant protein encompassing a sequence within the PL-pro domain of SARS-CoV-2 (COVID-19) nsp3. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                           |
| Klonalität               | Monoclonal                                                                                                                             |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                               |
| Klon-Bezeichnung         | [HL2350]                                                                                                                               |
| Puffer                   | PBS, no preservative.                                                                                                                  |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 1:500-1:3000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
