| Kategorie                | Antikörper                                                                                                                                                                                                                                               |
| Applikation              | ICC, IHC                                                                                                                                                                                                                                                 |
| Spezies Reaktivität      | Fish, Human, Mouse                                                                                                                                                                                                                                       |
| Immunogen                | Fusion protein amino acids 546-588 (cytoplasmic C-terminus) of rat VGlut3 (accession number NP_714947) produced recombinantly in E. Coli                                                                                                                 |
| Konjugation              | FL490                                                                                                                                                                                                                                                    |
| Produktbeschreibung      | Our Anti-VGlut3 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N34/34. It detects electric ray, human, mouse and rat VGlut3, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                               |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                                |

|                  |                                      |
|------------------|--------------------------------------|
| Klon-Bezeichnung | [N34/34]                             |
| Molekulargewicht | 65 kDa                               |
| Isotyp           | IgG1                                 |
| UniProt          | <a href="#">Q7TSF2</a>               |
| Puffer           | PBS with 0.09% azide                 |
| Reinheit         | Purified by Protein A chromatography |
| Formulierung     | Purified by Protein A chromatography |
| Target-Kategorie | VGlut3                               |
| Antibody Type    | Primary Antibody                     |
