| Hersteller               | Antibodies Incorporated                                                                                                                                                                                                                                      |
| Wirt                     | Mouse                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ICC, IHC                                                                                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | Fusion protein 96-1265 (extracellular domain) of human Caspr2 (accession number A0A090N7T7) produced recombinantly in E. Coli                                                                                                                                |
| Konjugation              | FL650                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Our Anti-CASPR2 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone K67/25. It is KO validated, detects human, mouse, and rat CASPR2, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                   |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                                    |

|                  |                                      |
|------------------|--------------------------------------|
| Klon-Bezeichnung | [K67/25]                             |
| Molekulargewicht | 180 kDa                              |
| Isotyp           | IgG2a                                |
| UniProt          | <a href="#">A0A090N7T7</a>           |
| Puffer           | PBS with 0.09% azide                 |
| Reinheit         | Purified by Protein A chromatography |
| Formulierung     | Purified by Protein A chromatography |
| Target-Kategorie | CASPR2                               |
| Antibody Type    | Primary Antibody                     |
