| Wirt                     | Mouse                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                  |
| Applikation              | ICC, IHC                                                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                           |
| Immunogen                | Fusion protein amino acids 370-469 (C-terminus) of mouse Rufy3 (accession number Q9D394) produced recombinantly in E. Coli                                                                                                                  |
| Konjugation              | FL594                                                                                                                                                                                                                                       |
| Produktbeschreibung      | Our Anti-Rufy3 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N483/126. It detects human, mouse, and rat Rufy3, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                  |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                   |

|                  |                                      |
|------------------|--------------------------------------|
| Klon-Bezeichnung | [N483/126]                           |
| Molekulargewicht | 55 kDa                               |
| Isotyp           | IgG1                                 |
| UniProt          | <a href="#">Q9D394</a>               |
| Puffer           | PBS with 0.09% azide                 |
| Reinheit         | Purified by Protein A chromatography |
| Formulierung     | Purified by Protein A chromatography |
| Target-Kategorie | Rufy3                                |
| Antibody Type    | Primary Antibody                     |
