| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IF, IHC                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Human recombinant CD6 protein (C6/372), Human rheumatoid synovial T cell line ST-1 (3F7B5)                                                                                                                                                                    |
| Produktbeschreibung      | CD6 is a type I transmembrane glycoprotein that contains a 24-amino acid signal sequence, three extracellular scavenger receptor cysteine-rich (SRCR) domains, a membrane-spanning domain and a 44-amino acid cytoplasmic domain. The CD6 glycoprotein is ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [C6/372+3F7B5]                                                                                                                                                                                                                                                |
| Molekulargewicht         | 90-130kDa                                                                                                                                                                                                                                                     |

|              |                                                                                                                                                                              |
