| Applikation              | IHC, WB                                                                                                                                                                                                                                                        |
| Spezies Reaktivität      | Human, Rabbit, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Recombinant human Napsin-A protein fragment (aa189-299) (exact sequence is proprietary)                                                                                                                                                                        |
| Produktbeschreibung      | Napsin is a pepsin-like aspartic proteinase connected with maturation of surfactant protein B. There are two closely related napsins, napsin A and napsin B. Napsin A is expressed as a single chain protein. Immunohistochemical studies revealed high exp... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                     |
| Klon-Bezeichnung         | [NAPSA/1865R]                                                                                                                                                                                                                                                  |
| Molekulargewicht         | 37kDa                                                                                                                                                                                                                                                          |

|              |                                                                                                                                                         |
