| Artikelname              | Polyclonal Rabbit anti-Mouse Mucin 2 / MUC2 Antibody (Biotin, aa652-735, WB) LS-C300144                                              |
| Artikelnummer            | LS-C300144-5                                                                                                                         |
| Hersteller Artikelnummer | LS-C300144-5                                                                                                                         |
| Alternativnummer         | LS-C300144-5                                                                                                                         |
| Hersteller               | LifeSpan Biosciences                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | WB                                                                                                                                   |
| Spezies Reaktivität      | Mouse                                                                                                                                |
| Immunogen                | Recombinant MUC2 (Asn652-Glu735) expressed in E. coli.                                                                               |
| Konjugation              | Biotin                                                                                                                               |
| Produktbeschreibung      | MUC2 antibody LS-C300144 is a biotin-conjugated rabbit polyclonal antibody to mouse MUC2 (Mucin 2) (aa652-735). Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                           |
| NCBI                     | <a href="#">4583</a>                                                                                                                 |
| Puffer                   | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                        |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                         |
| Application Verdünnung | WB                                                                                                                    |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
