| Alternativnummer         | LS-C731553-5                                                                                                                                |
| Hersteller               | LifeSpan Biosciences                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | WB                                                                                                                                          |
| Spezies Reaktivität      | Mouse                                                                                                                                       |
| Immunogen                | Recombinant PRL (Met1-Cys226) expressed in E. coli.                                                                                         |
| Konjugation              | APC/Cy7                                                                                                                                     |
| Produktbeschreibung      | Prolactin antibody LS-C731553 is an APC, Cy7-conjugated rabbit polyclonal antibody to mouse Prolactin (PRL) (aa1-226). Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                                  |
| NCBI                     | <a href="#">5617</a>                                                                                                                        |
| Puffer                   | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                               |

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Verdünnung | WB                                                                                     |
| Anwendungsbeschreibung | WB                                                                                     |
