| Hersteller               | LifeSpan Biosciences                                                                                                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, FC, ICC, IF, IHC-P, IP, WB                                                                                                                                                                                                                             |
| Spezies Reaktivität      | Virus                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant H5N8 (A/duck/NY/191255-59/2002) HA / Hemagglutinin protein                                                                                                                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Influenza A H5N8 Hemagglutinin HA Antibody, Rabbit PAb antibody<br>LS-C817735 is an unconjugated rabbit polyclonal antibody to influenza virus Influenza A H5N8 Hemagglutinin HA Antibody, Rabbit PAb. Validated for ELISA, Flow, ICC, IF, IHC, IP and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 0.2 µm filtered solution in PBS                                                                                                                                                                                                                                |
| Reinheit               | Protein A affinity chromatography                                                                                                                                                                                                                              |
| Formulierung           | 0.2 µm filtered solution in PBS                                                                                                                                                                                                                                |
| Application Verdünnung | ELISA (1:5000 - 1:10000), Flo, ICC, IF, IHC-P, IP, WB (1:5000 - 1:10000)                                                                                                                                                                                       |
| Anwendungsbeschreibung | WB this antibody can be used with the appropriate secondary reagents to detect H5N8 (A/duck/NY/191255-59/2002) HA in WB. Using a DAB detection system, the detection limit for H5N8 (A/duck/NY/191255-59/2002) HA is approximately 0.5 ng/lane under non-reduc |
