Monoclonal Mouse anti-Influenza A Virus Influenza A H4N6 (mallard/Ohio) HA Antibody, Mouse MAb Antibody (clone 03, Preservative Free) LS-C820320 LS-C820320-20

Artikelname	Monoclonal Mouse anti-Influenza A Virus Influenza A H4N6 (mallard/Ohio) HA Antibody, Mouse MAb Antibody (clone 03, Preservative Free) LS-C820320
Artikelnummer	LS-C820320-20
Hersteller Artikelnummer	LS-C820320-20
Alternativnummer	LS-C820320-20
Hersteller	LifeSpan Biosciences
Wirt	Mouse
Kategorie	Antikörper
Applikation	ELISA
Spezies Reaktivität	Virus
Immunogen	Recombinant Influenza A H4N6 (A/mallard/Ohio/657/2002) Hemagglutinin / HA Protein
Konjugation	Unconjugated
Produktbeschreibung	Ohio) HA Antibody, Mouse MAb antibody LS-C820320 is an unconjugated mouse monoclonal antibody to influenza a virus Ohio) HA Antibody, Mouse MAb (Influenza A H4N6 (mallard). Validated for ELISA....
Klonalität	Monoclonal

Puffer	0.2 µm filtered solution in PBS
Reinheit	Protein A purified
Formulierung	0.2 µm filtered solution in PBS
Application Verdünnung	ELISA
Anwendungsbeschreibung	ELISA(Cap): This antibody will detect Influenza A H4N6 (A/mallard/Ohio/657/2002) Hemagglutinin / HA in ELISA pair set. In a sandwich ELISA, it can be used as a capture antibody. Please Note: Optimal concentrations/dilutions should be determined by the en
