| Artikelname              | PE/Cyanine5.5 Anti-Mouse CD90.2/Thy1.2 Antibody[30H12], PE/Cy5.5, Rat, Monoclonal           |
| Artikelnummer            | ELA-E-AB-F1094UI                                                                            |
| Hersteller Artikelnummer | E-AB-F1094UI                                                                                |
| Alternativnummer         | ELA-E-AB-F1094UI-100, ELA-E-AB-F1094UI-25                                                   |
| Hersteller               | Elabscience                                                                                 |
| Wirt                     | Rat                                                                                         |
| Kategorie                | Antikörper                                                                                  |
| Applikation              | FC                                                                                          |
| Spezies Reaktivität      | Mouse                                                                                       |
| Konjugation              | PE/Cy5.5                                                                                    |
| Klonalität               | Monoclonal                                                                                  |
| Konzentration            | 0.2 mg/mL                                                                                   |
| Klon-Bezeichnung         | [30H12]                                                                                     |
| NCBI                     | <a href="#">21838</a>                                                                       |
| Puffer                   | Phosphate buffered solution, pH 7.2, containing 0.09% stabilizer and 1% protein protectant. |
| Target-Kategorie         | CD90.2/Thy1.2                                                                               |

|                        |                                                                                                                                                                                                                                                                |
