| UniProt                  | <a href="#">Q9NQZ8</a>                                                      |

|                        |                                                                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |
| Target-Kategorie       | This ZNF71 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 74-101 amino acids from the N-terminal region of human ZNF71.        |
| Application Verdünnung | WB: 1:1000                                                                                                                                                                   |
